Pay it FORWARD and Pay It BACK!

I am constantly aware of how we get back what we put into our lives! And I'm even more aware of that fact as SewVac Ltd. has reached our Thirty-First year, and we are constantly being paid back for the work that we do for you. Now, more than ever, *I am so appreciative of your good thoughts, your kind words and, yes, your business.*

Just one example: A new customer purchased a studio frame by Handi-Quilter. I delivered it to Marina Del Rey, and helped set it up. It needed a few "tweaks", so on my day off I scheduled this task. Then a few days before my appointed trip, another customer came into the store, said she had been sent to us, and ended up buying a Horn deluxe cutting table which I said I would deliver, guess where? You're right - Marina Del Rey. It turned out that this second lady lived right around the corner from my first customer and she (the first) directed this second customer to our store!

So our way of saying THANKS for your business...

Please join us on:

Sunday, January 10, 2010 - 1 pm to 4 pm

for our Customer Appreciation Day

Our teachers will be there to show you their Classes and Clubs. Also celebrate this business of making sewing and fabric and, yes, even vacuums available to you at the best prices and the best value for dollars spent.

Beyond the products we sell, it's the bond that makes business and friendships merge into a continuing reason to be here! You are all the best reasons for SewVac Ltd. to be in existence. Thank you all for your continued support.

Happy New Year.

Scott

BEYOND MACHINE BASICS

BSR Blitz 1

For all **Bernina Stitch Regulator** owners and prospective owners. Students will learn how to use their BSR feet for quilting and thread painting applications. Hoopsisters Club

The quilt we will be making is named T-n-T (Texture & New Techniques). It combines foundation piecing, quilting and machine embroidery, all done in the hoop. Each participant will receive a CD with the embroidery design and pdf instructions for the next month's block. The first hour or less will cover the instructions and the remaining 2 hours will be spent creating the block. Members are required to attend the 1st hour of instruction in order to receive their CD for the next month.

3rd Thursdays (1p - 4p) OR (6p - 9p)

TUITION: \$59 for 2010 term

Coordinator: Marla Renner

NOTE: to kick off this new club, an introductory class will be held to discuss the files on the CD, loading the embroidery design onto the embroidery unit, choosing fabric, and the yardage needed for the quilt.

This class will be Thursday, January 21 at either 3p - 4p OR 6p - 7p.

Party with Patrick and Pat Club

The creator of this new club is Patrick Lose and we have signed up for 2010. Patrick calls it a monthly dose of Patrick Lose; a great escape from all the current events spent on your favorite pastime... QUILTING! Why not become a hardcore partier and get together with fellow quilters every month to work on a new project designed just for us by Patrick, and recipes too. Take a look at Patrick's web site for more details and to see the kind of things Patrick does. He likes bright colors, and lots of fun. You will love his designs. So, if you are a quilter, you have a stash, right? And, as long as you have a stash, you can be creating wonderful and useful pieces for yourself or for someone you love. So, let's get the party started! Grab your favorite party hat (or lamp shade) and look forward to a year filled with fun and friends creating projects like placemats, door banners, table toppers, pillows and lots more great quilting and sewing projects.

3rd Wednesdays (1p - 4p)

OR (6p - 9p)

TUITION: \$59 for 2010 term

Coordinator: Pat Finke

Longarm Quilter's Club

Become a Charter Member of this new club! Meeting every other month beginning in February, we'll discuss a pertinent topic each month. We are here to support one another in our endeavor to become proficient machine quilters. It will be a time to share our successes as well as our misses! Whether you are an experienced longarm user or interested in learning more about this fabulous tool, this will be a group to help and encourage your efforts.

Coordinator: Cheryl Guacci

SewVac Kids' Club

The instructor this year is Micki, who is a 4th grade teacher and she says "I've found that it's important to give the kids the tools that they need so they can be successful at what they want to do or be. It seems only natural that my teaching habit would go into the craft that gives me so much pleasure. How else will they be able to make their special look on a reasonable budget?"

All participants must have a working knowledge and understanding of the sewing machine and know how to use it with little or no help. You may bring your own machine or classroom machines are available, if needed. Projects will include easy sewing and crafting.

2nd Fridays (3:30p - 5:30p)
