Spring Time in "SEW-LAND"

I'm hoping that, by now, the rains have run their course, winter has taken leave of us, and we're all ready to start those SpringTime Quilts and other projects just waiting to come out of those creative minds who read our newsletter! I just love having you bring by your completed projects and "showing off" in front of us; we are certainly proud of you! Spring brings new fabric collections, new machines and other new goodies to further get those creative juices flowing.

The Batiks are "marching" in! These beautiful new designs brought to us by Hoffman, Kaufman, Benartex, and South Seas are really incredible. I think you could cut a piece of any of these new fabrics, frame them, and you would have instant art in your home! Imagine what they will be like combined and turned into the real thing - a beautiful quilt, dress, jacket, or hand bag. And, we'll help you get the batiks you need with an offer! How about one free yard of any batik fabric we have with any two yards purchased? All you have to do is mention my offer in this, our March/April Newsletter, and you get the deal. There's no expiration date and there's no other sale on these fabrics mentioned anywhere, just here. Say, "I saw the batik offer in the newsletter," and that's good enough for us.

Beautiful Batiks and Spring... they just go together.

Come and see them now!
