

Sewing 911

Supply List All items marked * are available at Sewvac Ltd.

* Sewing machine in good working order with all attachments (optional for this class. Everything done in class can be done by hand)

* 1 spool Metrosene polyester thread (you may want a bright color as you will be making sample techniques)

* Basic Sewing supplies-----Thread snips, seam gauge (optional) , pins, package of hand sewing sharps or betweens (assorted sizes) (do not bring embroidery or tapestry needles), seam ripper.

* 1 spool Metrosene thread to match fabric

* Safety pin

* 1 fat quarter or 1/4 yard muslin (our bargain fat quarters are fine!!!!)

* Small spring embroidery hoop (2-3") and/or darning mushroom/egg (the latter from "Mother's sewing chest", antique shops, internet!)

* 1 package Schmetz size 80 Universal sewing machine needles if you are going to use a machine for any techniques

* 1 Bernina bobbin if you are going to use one of our machines

An old sock or t-shirt with wear that might need repair (if not we can create some!)

An odd button (or a button and the garment it needs to be attached to!)

Some elastic if you have some (I will bring some for you to use)

Repairs you have questions about

Notebook and pencil.

Optional:

3 ring binder, card stock, sheet protectors and glue stick if you would like to make samples to refer back to.
